What: Are you curious to know about the activities of the DDA and SoDA? This event is a great opportunity to learn more about the Development Plans of the DDA and SoDA and hear about previous, current, and future projects.

At the Open House, the DDA will present initial concepts for the Atlantic Avenue extension project. The project will reconfigure the intersection of Atlantic Avenue and Parkview Avenue and continue Atlantic Avenue to Stadium Drive, potentially eliminating the Parkview Avenue and Stadium Drive intersection. The primary goal is to improve the overall safety, accessibility, and circulation for the Downtown district to thrive. Resident and business owner ideas and feedback are essential to implement the community's vision and priorities!
